### Inauguration of mobile clinic covid-19

In the global fight against corona, HJ Foundation, NGO of Mr. Harish Jagtani, has set up a mobile clinic in collaboration with the government of the DRC through the Ministry of Public Health, set up at the old parking lot of the Grand Hotel which was inaugurated on 24/06/2020 by the Minister of Health in the presence of the Vice-Minister of Health, Provincial Minister of Health, Secretary General for Health with other authorities present. This clinic consists of 9 tents with 210 beds, intensive care rooms, sampling rooms, consultation room, triage room etc. At HJ Foundation, we believe that together, one step at a time, we can make a difference and fight this global pandemic together.

## Support for Eye Check up

HJ Foundation has taken charge of the special eye check-up at HJ Hospitals of the patient, Mr. Kabeyn Elliot, who is to be operated on in the coming days for the detachment of the retina of his left eye which has bothered him for more than 7 months. This surgery will also be supported by HJ Foundation. Before this, the patient required to undergo a laser procedure to stop his vision from declining further, which was also conducted at HJ Hospitals, funded completely by HJ Foundation.

## Visit to Orphanage: Maison Enrica

HJ Foundation paid a visit to the orphanage: Maison Enrica which shelters 160 children. The manager presented to us the problems which they face amongst others: the lack of food for the children, electricity etc.

We are currently processing their file to see what the foundation can do for them.

Soon, we shall be starting health and food campaigns for these children and also providing employment and vocational training to kids who are of age to enable them to support themselves.

The HJ Foundation has also launched a fundraising program, through which patrons can pay a sum of only 1\$/month and contribute towards saving lives. Kindly get in touch with us for further information.
