Free malaria screening campaign at the BUNA Foundation orphanage

At the beginning of July, HJ Foundation organized a free malaria screening campaign for the orphans of the BUNA Foundation orphanage located in the commune of Barumbu with the support of our partners such as: SANRU, ACTM, SHALINA, HJ HOSPITALS, SERVE AIR, and MODERN CONSTRUCTION.

Throughout this campaign, we have screened 76 people ranging in age from 5 to 58 years, 51 men and 25 women, and we have recorded 72 negative cases and 4 positive cases.

The positive patients were managed by HJ Foundation with antimalarial medicines.

Testimony of one year after the surgery of Mvutu Kabalma Ravana

One year after his surgery that HJ Foundation had supported, MVUTU KABALA Ravana, joins us to celebrate the first anniversary of his high risk surgery that was successfully done at HJ Hospitals by a specialist from India that Mr. Harish Jagtani had called. Let us recall that he was operated on for the mandibular tumor that he had for more than 10 years.

Being grateful for the success of this surgery that changed his life, MVUTU KABALA Ravana did not hesitate to address his sincere thanks to Mr. Harish Jagtani who is the president of HJ Foundation, thanks to God and the efforts of Mr. Harish Jagtani, we can now count Ravana among the normal people with good health and he will have to continue his life like everyone else.
