CT Scan support for patient Mwesi Mbo

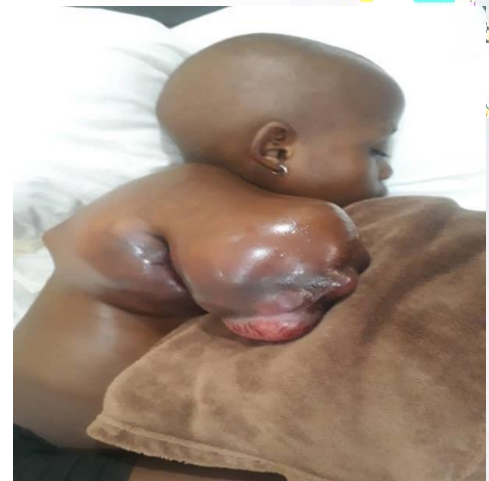

Having a tumor mass on her forehead, Mrs. Mwesi Mbo suffered a lot and did not really know what bothered her, she was asked by her doctor to do a facial scan. She did not have the means to do it and she sought help from the Harish Jagtani Foundation which took charge of this examination at HJ Hospitals. A special surgery for her has been planned for Mrs Mwesi and should be operated by a specialist anco surgeon called from India.

In full examination

Continuity of chemotherapy for Rebecca

Coming from Bunia, the child Rebecca Ribanza was recommended to us by the Henriette Wamu Foundation. She had cancer in her right arm, after the management of her amputation supported by our Foundation, the latter should was followed with chemotherapy sessions that Harish Jagtani Foundation supports.
